Rollin' Oldies General Meeting September 3, 2019

The meeting was called to order by President, Dave Faller. The Pledge of Allegiance was made and birthdays and anniversaries were celebrated with song.

Rich Bailey brought registration forms for the Winter Rod and Speed Show which will be January 17 & 18, 2020. He told the members how much he appreciates the continued support for this car show from the Rollin' Oldies. He passed out awards that were from the 2019 show.

New members, Dennis and Liza Bosworth were introduced. They have a 1955 Chevrolet pick-up. You may have seen it around town. It has a very distinctive red and black paint job. You may know Dennis as the owner of Machine Craft Northwest. You won't always find him there as he is semi-retired and his son runs the business.

Membership: Sheila reported that there were 52 members in attendance.

Secretaries Report: The minutes of the board and general meeting were summarized and accepted.

Treasurers Report: Kate thanked members for generously supplying drawing items for the car show. If you still have items to donate please bring them to the park on the day of the show. Volunteers helping with the drawing should be available to help by 9 AM the day of the show.

Salem Council: Carol reported that there are only two more meetings of the car show season for the Salem Council. They enjoyed a picnic at their last meeting.

-- Carol Hood - Best 50's Car, Carousel Car Show, Salem; Cruise Award, Kool Coastal Nights, Winchester Bay

--Dave Faller - Tricked Truck, Carousel Car Show, Salem. Dave reported that he won 4 trophies in July but since he didn't bring them to the July meeting he put \$1.00 in the Piggy.

Cruise Masters Report: Tom reviewed the email outlining the September events in the area and passed out paper copies to those members who wanted a copy.

Sargent-at-Arms Report: Verle reported that \$93.00 was collected for the 50/50 drawing. The \$46.50 was won by Richard Thoma.

Hospitality Report: Linda Meredith reported that Linda Wood is dealing with a serious infection. She was sent a card. Jack Davis had some minor surgery and is doing fine.

Special News: Dave Faller reported that Mike Peterson, a member of the Rollin' Oldies, will be going on the Honor Flight to Washington D. C. in October. Dave will be accompanying the veterans again on this trip.

Ed Andersen reported that all the proceeds from the Millersburg car show will go to support Honor Flight.

The drawing item for the October show will be provided by Ed and Dottie Andersen. Feel free to bring additional items if you want to.

Car Show: There was a discussion about what shirt to wear to the car show. It was decided that members should either wear the turquoise club shirt or the brown 2019 shirts. The really important thing is to be certain to wear your club name tag.

The car show walk through will be September 17th at 5 PM. Please plan to be there so you know what you will be doing Saturday for the car show.

Dottie has 17 vendors signed up for the car show. Six of these vendors will sell food related items. Ed will help her get the vendors set up. The placement of the vendors will be determined by 'first come - first served'. None of the vendors will be out among the cars.

Elections for 2020: Club offices up for election for 2020 are President, Secretary, Historian and Sargent-at-Arms. Dave reminded the members that they need to be thinking of who to nominate for these offices.

Car of The Month: The car owned by Don and Ruth Hammer was chosen to be the Car of The Month for September.

Attendance Award: Susan Krumweide's name was drawn to receive the Attendance Award. Sadly she left the meeting early so in October the Attendance Award will be \$20.00.

As there was no more business to discuss the meeting was adjourned by President Dave Faller.

Respectfully submitted by Secretary Linda Stinson.

Historian's Article for September 2019 By Dottie Anderson

This is an article I came across in my mountains of paper-work. I am not sure if I have written this before, if so, since she gave me this information she has become a Life-time Member, so, I am going to write it again because I find it very interesting.

When did you join the Rollin' Oldies? We joined in 1996-My brother Dan Miner made us join when we won Best of Show in 1995.

Who were the officers when you joined? Harry Carter or Ron Hotrum was President. Not sure of the rest, I think Robin Pyle was Cruise-Master and Dan was something (looking at my records),

President-Harry Carter

V-President-Bryan Covell

Secretary-Christine Durham

Treasure-Karen Haffner

Historian-Dan Miner

Cruise-master-Ernie and Marie Argo

Sgt.-at-Arms-Dallas Womack

What is the farthest you have gone for a car-show? Reno, Nevada

Have you been an officer? I was Secretary for two terms-1999 and 2000.

What car did you have when you joined? 1946 Ford Coupe-1954 Ford Convertible and a 1960 Thunderbird

How many do you have now and how many have you gotten rid of?

We have a 1970 Mustang. We have had but gotten rid of 7 or 8.

How have the Rollin' Oldies changed over the years? A lot- Membership has grown a lot, with new and an interesting mix of people. I personally have been friends with many members. I have had many fun adventures over the years. I do treasure the memories made and friendships of so many, including the ones we have lost. Although, we have gotten to be bigger as a club, it is so great that membership is willing to serve (officers especially) in order to keep the Rollin' Oldies the BEST car-club around.

This article was given to me from Ethel Gray, one of the nicest members I know...says it like it is.

That's my story and I am sticking to it..Thanks Ethel..
