Register on line or print and mail in form. Pre-Registration is \$15 / Day of show \$20. We will meet and leave at 7:30am from Hwy 226 & Brewster Rd.

July 28 – Board Meeting at 7:00PM at Carol Hood's home.

Sept. 5 - The Carousel show will be September 5th.

ROLLIN' OLDIES BOARD MEETING JUNE 30, 2020

The meeting was called to order by President Dave Faller. Those in attendance were Carol Hood, Lorna Sebastian, Linda Meredith, John Wood, Tom Hinckley, Dottie Anderson and Sheila Peterson.

Secretary Lorna advised the board that at the last meeting was to make a decision regarding the annual car club show, which was voted by the board members to be canceled.

Treasurer Linda gave her report what was in savings, checking and petty cash. We have received a refund from the Park reservations and the banner hanging. Our insurance was not canceled due to the fact she found out

that it not only covers the car show but also the meetings and cruises. Because of this information if we had canceled it would have cost more next year with a different insurance agency.

Vice President Carol brought up that we are still collecting socks. Russ has been notified about the cancellation of the show and has been hired for the 2021 show. Summer fest will be July 25 but it will be at Sublimity Oregon this year. A & W will not have their Wednesday cruise in till next year. The Carousel show will be September 5th. To join Power land it cost \$200.00 the first year and \$100.00 each year after that. The Santa Cruise will be December 5th. The breakfast will be at 8:30 AM.

Cruise Master Tom informed the members there will be a Springfield to Albany cruise Saturday the 4th, leaving Springfield at 10:30AM. Next Thursday Sweet Home will be having a Poker Run.

Hospitality Dottie is sending out cards to the members to keep in touch with them. A get well card was sent to Verle Steel. Dale Porter was having surgery on July 1st and Ray Oelke is having cataract surgery.

Historian John brought up that he is looking for a photo of Harry Carter with his car for our records.

Dave is researching a new place to do our printing instead of Staples. We will contact other groups and see where they get their printing done and the cost. Also we will make sure that turquoise is used which is the club's color.

Letters will be sent out to our previous sponsors to inform them of our show being canceled and that we hope they will be able to support next year's show.

A vote was taken and passed that we will continue having our annual Christmas dinner. A suggestion was made that we have only turkey or ham.

The next meeting will be July 28th at 7:00PM at Carol Hood's home.

Meeting was adjourned by President Dave Faller.

Sock it to me!

Children's socks are needed, too!

We have an ongoing challenge with the Street Masters to gather socks for a charity. Continue to collect socks. When meetings resume they will be collected.

A Call for Newsletter Articles

With our general meetings and most car activities on hold, the Newsletter is seeking articles. Any photos or text about working on your cars, cruises, or other car-related adventures would be appreciated.

The Newsletter cannot accept material other than by email, as the newsletter is prepared using a computer.

A Second Life By Dick Thoma

Falling asleep, I crashed this 1991 Jeep. I went through a ditch, over a tree stump, sideswiped another tree, and through a chain link fence. The top rail of the fence went through the windshield and driver's seat, imbedding itself into the rear seat, missing me by a hair, a thin hair.

This was the first vehicle I had ever bought brand new. It has a \$700 Warn winch on the front and a new set of tires. The thought of a junk yard making a profit on it rubbed me the wrong way. When the insurance man said the "Buy Back" was \$238, it was a no brainer.

Every panel on it had to be repaired or replaced, including some of the undercarriage. I tell everybody it only cost 3 or 4 times what it was worth, but I'd do it again.

All repair and painting was done by Lincoln Hoefek and myself. Now it is having a second life.

Rollin' Oldies Wiseguy Corner
Thanks to D.J. Freeman

I know a guy who's addicted to drinking brake fluid, but he says he can stop any time.

I got some batteries that were given out free of charge.

A will is a dead giveaway.

The guy who fell onto an upholstery machine last week is now fully recovered.

Did you hear about the Democrat that had his whole Left side cut off? He's all Right now.
