## Dave's Dialog

By Dave Faller

Good morning to the Rollin' Oldies members. I hope that everyone is staying safe and the majority are becoming vaccinated. This is the only way we are going to defeat this pandemic and once again return to our normal lives. It is terrific to once again go out to a restaurant for a nice meal with your loved ones and having family get-togethers. We've done this several times already and it's wonderful. I've always been an optimistic person and I feel good about what lies ahead. We have to maintain positive thoughts so please, obey the rules & guidelines and get vaccinated.

Last Sunday, 6 R.O. members had their cars entered in the car show & parade in Monmouth. It was actually a cruise with no classes, judging or trophies. Needless to say, it was a fun event anyway. It's just great to get our rides out of the garage and enjoy them as well as our car friends.

As we have informed you, the 2021 Rollin' Oldies Car Show has been cancelled, so onto the 2022 show. I can't wait!!!

Speaking of our July General Meeting, I was impressed and very excited to see so many members in attendance. The count I heard was 46 in attendance. The Legion was ready for a large turnout this month. Hopefully we can duplicate that at our next meeting. I felt that the meeting was extremely

enjoyable and a huge thank you goes to Lorna for coming up with the idea for an indoor model car show, which was well attended. Great job Lorna; THANK YOU. In addition, Lorna put together a nice raffle. All in all, it was a great meeting. Events are starting to return for us and Tom will have a nice report for our info. I'm looking forward to getting the old gal out of the garage for events, and I'm sure the members are as well.

It has been a long year for everyone but improvement is on the way. I will plan to provide a write up monthly for our newsletter.

Enjoy as many car shows as possible.  
CRUISE – ON & STAY SAFE

August 28 – Kool Coastal Nights, Winchester Bay, 8am-5pm, \$25. 5pm-6pm is the Harbor Cruise.

### **ROLLIN' OLDIES GENERAL MEETING JULY 6, 2021**

The meeting was called to order by President Dave Faller. The Pledge Allegiance was recited and the birthdays and anniversaries were celebrated in song.

Our guest today was Michelle Carpenter. We also have a new member. Barbara Thayer who owns a 1969 MG.

The minutes from the last meeting were read and accepted with no corrections.

Linda gave the Treasurer report and informed the club that she has received refunds from the City regarding the cancellation of our car show but they have reserved next year's date for our car show.

Carol Hood informed us that there was no Salem Council meeting this month.

Cruise master, Tom Hinckley, informed the new members that if you win a trophy please bring it in and stand up to inform the club of your win. The following members have won awards this past month: Neal Hubbard: Best 60's car; Carol Hood: 2nd Place to T bird; Mike Peterson: Best stock redone; Dave Faller: Best Truck and Best of Show; Leroy Garrett: Best 50's Pickup;

Louie White: Best military vehicle; David Claussen: Best 70's; Dallas Womack: Best makeup car and Richard Thoma won several trophies including Best 80's. The Rollin' Oldies also won a participation award. Included in the winnings, Jim Stinson won a pool table as a raffle prize.

Tom also gave us information regarding upcoming car shows.

For Hospitality, Dottie informed us John and Linda Wood are having a bad time. If you have time drop them a card or volunteer your time to help a fellow car club member.

Louis, our newsletter editor, was asked to include the web address in the newsletter.

Due to the Pandemic, no Heine award was given for the year of 2020. Dave suggested instead of a person's name that we have a plaque made out that said "2020 Sucked". It was put to vote and was carried.

This year instead of our August meeting picnic. The meeting in August will be held at the Hall. The members were in agreement. It was brought up by Dave that we allow all cars over 25 years old which will include foreign cars also. The members were in agreement by vote. The board members will work on updating the by-laws for next meeting.

There were 45 members in attendance. The feature car this month was Bob Whitfield.

This meeting ended by having a Model Car Show. Members brought in their model cars to be judged. Third place went to Dan Miner, Second Place to Junior Barker, and First Place to Sheila Peterson.

All members received a cloth to keep their cars clean. After there was drawing for prizes. The evening was very enjoyable since this was the first time this was done and everyone had a great time.

Meeting was adjourned at 8:06.

Respectfully submitted Secretary Lorna Sebastian

### **OUR 66 MUSTANG**

By Neal Hubbard

Last August I decided I still wanted to have an old car. I started looking on Northwest Classic Auto Mall. I always had an interest in owning a Ford Mustang. Most people I know, know I like blue. To my surprise, I found a blue Mustang. I met the owner down in Junction City, Oregon. Being trusting as I was, he convinced me his car was ready for the road. Being blinded by the beautiful blue paint job also worked against my better judgement. Well, we agreed on a price and I bought the car. The first thing I wanted to do was put disc brakes up front. So the work began. Once it was up on a hoist, we started finding all the different things we needed to address.

1. We ordered a disc brake conversion with power brakes and a Willwood master cylinder. \$\$\$
2. Then the brake lines looked bad, so a complete brake line kit.
3. Then the back drums looked bad so I purchased new ones plus the brake cylinders.
4. My step-son noticed that the steering needed several parts replaced including the main linkage control brain. \$\$\$
5. Various rubber covers and several rubber hoses were also replaced.
6. The last thing needed was a starter relay switch
7. After all that was done, we had Snyder and Son's down town align the front end. And now, (drum roll.....) I can finally drive it on the road!!!

### **Socks**

The Rollin' Oldies and the Street Masters are collecting NEW socks, gloves and knit caps for adults and kids again at every meeting this year.

### Father's Day Car Shows

On Father's Day morning the South Albany Community Church hosted a car show. They provided food and held a raffle. Jim Stinson won a pool table. Yes, a pool table. Many of the Rollin' Oldies then drove to the Hope Church in Albany for the afternoon car show they hosted. Again, friendly people with pizza and other food being provided.

### July Birthdays

Al Boedigheimer	1
