When it comes to the Winter Rod Show Swap meet, there are already 49 spaces taken and about that amount still are still available.

Linda Meredith gave the treasurer's report. We still have not received the bill for our reservation to the park and for the banner hanging.

The Salem Council will not meet until next year, information was given to us by Carol Hood.

Linda informed us that John Wood was doing well. He cannot see out of one eye and will need back surgery.

We had 51 members present at the meeting. A motion was made and seconded to accept the nominees in their positions. The motion was passed. Dave Faller informed the members that this will be his last year running for a position. It is time for someone else to volunteer.

The feature car this month is Stephen and Lorna's Woodie Wagon.

Leon Walter was given the trophy for club participation at the Millersburg Celebration Car Show.

ROLLIN' OLDIES GENERAL MEETING DECEMBER 7, 2021

The meeting was called to order by President Dave Faller. The Pledge of Allegiance was recited and the birthdays and anniversaries were celebrated by song.

Ken Night was introduced as a new member. He owns a 1967 Dodge Dart.

Ray, a long-time member was also in attendance.

We were given wonderful news by Carol Carter by introducing her new fiancée.

Richard Thoma received the monthly membership award for being present at the meeting.

A meeting led by Carol Hood was held after the General meeting for the Storybook volunteers. Also she thanked the members for their gloves, socks and hats and that we will be doing it again next year. They will be donated to 3 different organizations with the Street masters.

Center pieces were given out to 10 lucky winners.

The meeting was adjourned at 6:47.

Secretary Lorna Sebastian

Rollin' Oldies Car of the Month, Lorna and Stephen Sebastian's 1929 Ford Woodie

Stephen purchased this car a few years ago. He bought it from a gentleman from Washington. The gentleman bought it at an auction and just stored it in his garage for nine years. The car is from Australia. It is right hand drive. It is a 1929 Ford Woodie wagon. It is not a kit; it is original. The tires were changed due to the fact it sat so long. Also, Stephen wanted apple green wheels. It was entered at the winter rod show a couple of years ago and it was enjoyed. Especially when they went to the wrong side to check out the steering.
