The meeting was called to order by President Dave Faller at 6:58 PM and led us in the flag salute.

A new member, Tom Aldrich, was introduced to the members.

The Secretary asked if there were any corrections or additions to the minutes. Being none the minutes were approved as written. The birthdays and anniversaries were celebrated with song. Thank you cards were received from Tammy and the Boys and Girls Club of Lebanon.

The Treasurer gave her financial report.

There were 38 members in attendance.

New car plaques were ordered and have come in.

Carol Hood told the members that the Salem Council donated trophies for the October Fest. The A & W will have a cruise-in on the 1st and 3rd Wednesday.

The following member won trophies at car shows: Ed Andersen , Best Original Car, and Best Street Rod won by Tom Hinckley at Scio; Bob Thayer, Best Import at Cascade HS. Regarding Hospitality, Verle had surgery but is doing much better. Dottie as Historian is working hard on the Club albums. Al Boedigheimer is laid up and it would be nice if the members would send him a card of encouragement.

## Rollin' Oldies Event Staff T-shirts

By Al Allen

At our June 7th Rollin' Oldies monthly meeting, I presented the idea for our club members to wear t-shirts signifying we were "Event Staff" at our annual car club car show in September. The sign-up sheet I circulated for this t-shirt proposal netted 20 members wishing to purchase.

For those members who were not able to attend, this is an opportunity for all our members to purchase this unique, members-only, t-shirt to wear as an "Event Staff" at this year's 50's-in-the-Fall Car Show. With only 5 more t-shirt confirmations, the cost for the t-shirt will be at \$17.24.

You can email your response to me at [mtnoaks88@gmail.com](mailto:mtnoaks88@gmail.com) or give me a call at 541-905-4255. The total number of t-shirts confirmations will be presented at the next club meeting on July 5 and the purchase will be made thereafter.

I am looking forward to a unique look of our Rollin' Oldies Event Staff members. The photo and a club logo close-up are shown below.

## Rollin' Oldies Car of the Month

Tom and Lynn Hinckley's  
1932 Ford Roadster

Lynn & I bought our 1932 Ford Roadster back in 2006 at a used car lot in Northern Washington. The next summer we went to Florence, Oregon for our first car show, and won a Trophy. We were hooked on doing more shows.

Fast forward to 2010, the car & Mullins trailer were stolen and then recovered a week later. There was enough damage that it had to be repainted, so Lynn chose the color that it is today.

We know the car was put together sometime after 1985. Other than regular maintenance, the car has run fine since then. The engine

and transmission are from a 1974 Corvette. The frame is stock and the brake system is early Mustang.

We have a new project trailer that we got last year and expect to have it out soon. It is a 1935 KOZY KAMP Tent Trailer. The company was in Portland and only made the trailers for a few years. We knew the owner who had it in his private museum the past 15 years.

We are happy the Rollin' Oldies have been part of our journey.
