Club members enjoyed the Thursday Night Cruise-In at Grocery Outlet in Albany. The Cruise had all the touches of a true car show without awards! Food trucks, DJ music free raffle. In all 55 cars came out to share in the fun.

Meeting Notes June 6, 2023

r

Secretary Lorna Sebastian is absent. President Dave Faller called the meeting to order at 8:03 pm, The club members stood, removed their hats, and said the Pledge of Allegiance to the flag of the United States.

The President then called club members Leon & Roberta Walter to the front, and gave them a pin to commemorate their becoming lifetime members. Congratulations to them!

Vice President Dan Miner was absent so Sargent of Arms Verle Steele gave the "No Report" for him. Treasurer Dan Wetzel gave the financial report to the club.

SACC Representative Carol Hood gave a report of the caravan that attended the Strawberry Festival Parade and car show, in addition to the Johnny Limbo and the Lugnuts concert. The Festival was held at Cheadle Lake, and no count of how many attend was given to the newsletter. Tom Hinckley has the list of cars that went. The event had the parade in which several members entered, with others going directly to the parking area reserved for the show cars. The three act concert went well into the evening however, the club left after the Lugnuts act so as to avoid a massive traffic jam with the hundreds of cars attending the festival. All said it was a good time.

President Faller submitted a question to the club regarding a club picnic. A show of hands indicated the club wanted one, and a date in August will be confirmed. The place of the picnic will be Waterloo Park in Lebanon. Date to be announced.

Newsletter Editor brought a print-out list of all email address, and one of all snail mail addresses to those who get a newsletter mailed. The club members who do not think they were getting the newsletter came and checked to see if they were on the list, and if not, added their address to the list. The club was reminded that all newsletter submissions need to be in by Friday evening following the meeting, if they want it to appear in the newsletter. Want ads run 3 months then are cut if not renewed. Club members were also encouraged to send photos of their shows and events to the newsletter for all the club to enjoy. An incentive was offered; if one of your photos is elected for the front page, you will get a free raffle ticket at the next meeting.

Druise Master Rich Coe presented samples of the merchandise with the club logo that has been at the print shop. Order forms were handed to those who wanted either a jacket, shirt, or hat. He stated that the shirt printer was confused as to the show shirts, that "someone" came in and changed the artwork. Rich said that to have that happen would have cost the club quite a bit more, because the original artwork would have had to be redone, and after all, the club voted to use the artwork that was presented at the previous meeting in the Spring. The change was discarded and the shirts will display the original. As Cruise Master he gave quite a few upcoming events and put flyers on the back table.

Historian Oren Swanson-Coe gave the club concise report on the show flyers (he brought copies), and the back of the flyers now had the advertising sponsors on them.. He then talked about the photo albums and processed the incoming orders for the merchandise.

Carol Hood will be awarded the dunce award (forgot the name of it) for her little incident during the Cherry Blossom Poker Run. If you have not heard, read the article in last month's Rollin' Oldies News!

Raffle was held and Father's Day brown bags were given to ticket holders drawn.

Tom Hinckley reminded the club of the Thursday Night Cruise-In each Thursday night at Grocery Outlet in Albany 5 pm til 8 pm or dark.

We welcomed our new members and I apologize I did not hear their names. I believe it is Ken & Sherri Thompson, but I did not hear her husband's first name. Welcome!

The meeting was dismissed (I did not note the time). The explanation of the next meeting being moved to the 11th was reiterated by President Faller due to the 4th of July Holiday.

June 14th is Flag Day!

" Our Flag does not fly because the wind moves it,..It flies with the last breath of each soldier who died to protect It!"

DJ's CORNER

:I don't know if any of you know Rick Funke. He has a fantastic car collection. He has 36 to 40 cars "Ready for the road" and a shed full of "Not ready for the road". He has a Flat Head engine display and a perfect reproduction Texaco Gas Station. He lives just south of Corvallis on Hwy 99. I talked to him about having a Rollin' Oldies tour of his collection. We set a tentative date for the tour of July 22nd from 11am to 1pm. After the tour we could all stop at Papa's Pizza. (I can reserve a room for us) Please email me if you can go. dj38plymouth@aol.com Thank You D.

Hey Guys and Girls,

I realize that no matter what day and time I change the viewing of the car collection, there will be some who cannot make it. Tom said there are 5 car shows on the 22nd, and they cannot attend all of them so they have to choose. Now there are 6 choices! If you can and want to go, please contact me so I can get a count and reserve a room to have pizza somewhere.. This is not a car show, no trophies, But unusual and well worth missing another trophy show.

South Willamette Valley Honor Flight

South Willamette Valley Honor Flight was formed in 2012 and has taken 939 Veterans of WWII, Korean War, Viet Nam War to Washington D.C. to view their monuments and memorials over a 3 day period. The trip is actually 5 days in length and we make two trips every year with 60 veterans on each trip to our nations capital - late April and late September. In Oregon, there are 4 hubs that are part of the National Honor Flight organization - South Willamette Valley Honor Flight which includes the counties of Linn, Lane, Benton and Lincoln. There are three other hubs, Portland, Bend, and Medford that also bring Veterans to Washington D.C. to observe their Monuments and Memorials.

Once we arrive in Washington D.C. on Friday we begin our tour with visits to the WWII Memorial, Viet Nam Memorial, Korean War Memorial, Lincoln Memorial, FDR and Martin Luther King Memorials, Navy Museum and Memorial, Women in Service Memorial, U. S. Marine Memorial (IWA Jima), Air Force Memorial, Veterans Disabled for Life Memorial, the new Army Museum, Arlington National Cemetary with the Changing of the Guard Ceremony and the new Pentagon Memorial. A future stop we are looking at is the new U.S. Marine Museum. We have our final dinner on Saturday nite in Sterling, Va. at the oldest Elks Club in the country who really put on a spread for us. We fly home to Portland on Sunday nite. All in all, it's a very busy two days of viewing the sights in D.C.

I have been associated with South Willamette Valley Honor Flight since 2018 and also serve on the Board. To date, I have made 7 trips - 6 as a Guardian and my last trip in April/May 2023 I was a Team Leader with 10 Veterans and 10 Guardians on my team. My first 6 trips were primarily with Viet Nam Veterans but my first trip was with a Korean War Veteran. This is an extremely rewarding experience and I am now devoting my life to help our worthy Veterans and War Heros experience this trip that they will never forget.

I am scheduled to be on my 8th Honor Flight trip in September /October 2023. I am the head promoter of the Spring Hill North Albany Car Show that is held in downtown Albany at Bryant Park every year where 100 % of our net proceeds are donated to South Willamette Valley Honor Flight. To date, we have donated \$ 25,987.00 to Honor Flight from our last 4 car shows. This year we hope to make our biggest donation yet to this very worthy cause.
