Have you paid your Dues ?

The meeting was called to order at 7 pm by club President Al Allen. The membership stood to recite the Pledge of Allegiance. He asked if there were any guests or new members. No guests were present, but two guests were recognized: David Gillott and Kevin Greene. It was also noted that longtime member John Wood returned to the meeting after a long absence.

Meeting minutes from the February meeting were waved as Secretary Lorna Sebastian was not present, and club member Dottie Anderson, Secretary Pro-Temp, would be taking current minutes in her place. The President moved the minutes be approved, with members voting to approve the February minutes.

Dick Wetzel gave the financial condition of the club stating what had been paid since the last meeting. The amount in the accounts are omitted here, but were stated at the meeting. He reminded the members that dues were due, and encouraged those who had not paid to do so.

Vice-President Dan Miner did not have a report.

Cruise-Master Tom Hinkley congratulated the Miners for their invitation to the Salem Roadster Show, and to the Thompsons for being invited to show their car at the Portland Roadster Show. He gave a short report of upcoming events.

Webmaster Don Hammer had no report.

Phyllis Smith, Hospitality, gave a report. A card was sent to Mike Peterson who had his gall bladder removed. She had also sent a card to Linda Meredith who battled Covid. She reported that both of these members were doing much better.

Historian Dottie Anderson stated she was gathering things for the upcoming album.

President Al Allen complimented Newsletter Editor Dayle Langley for the good job she was doing with the Rollin' Oldies News. The members all agreed. Dayle asked if everyone was receiving the newsletter, and if not, see her after the meeting.

Carol Hood and Verle Steele were on vacation. Sheila Peterson stated the 50/50 this evening was \$98.00. The winning ticket took home \$49.00. The other 1/2 of 50/50 goes to the charity Honor Flight.

Friday Night Dinner was brought up by President Allen. He had passed out sheets with various restaurants to choose from. The discussion was brief, the date for the next dinner is March 15th at the restaurant 1847 Bar & Grill, 505 Mullins Dr. in Lebanon. A motion was made and seconded. Carried by unanimous hand raise.

The Fifties in The Fall car show was discussed. If you are on a committee, please keep in touch with the leader of that committee to stay current with responsibilities.

New business: President Allen brought the subject of donating \$100.00 to the Springhill Car Show, proceeds of the show go to Honor Flight for Veterans. The motion was made, seconded and passed the membership.

The contents of these minutes were taken from notes given by Dottie Anderson for Lorna Sebastian. If there are any corrections in content please bring them up in the April Meeting.

# CAR OF THE MONTH

John Wood

## 1933 Dodge Sport Coupe

1933 Dodge Sport Coupe, and I named it "Somethin' Else" – that is something other than a Ford coupe with a Chevy engine. The engine is a 1971 Mopar 340 Cubic inch V8 with a Tremec 5-speed transmission. It hasn't just been a "show car," but has been driven on cruises all through the states of Oregon, Idaho, and Washington – as well as parts of Canada, Nevada and northern California. I might add that we've decided to sell it given vision problems I have. But, I'd hope to possibly trade down to something less expensive.

I might add that while the car has won it's class in many shows, it's only won "Best of Show" one time. That at Monmouth OR.
