May Car of the Month!

I bought my 1973 Dodge Dart Swinger last Spring. It is a 225 Slant Six with power steering and disc brakes. It Has 14" Cragar Mags. I bought it from a guy who had it when he was 15 years old . He repurchased it again off Marketplace when he was 25!

The car was originally donated to his high school. He and his dad purchased it for \$700 back then. He sold it when he was seventeen because he said was too slow for him. When he turned 17 he sold it to Mark Thomas Motors in Albany, Oregon. It set in the Mark's classic car shop, until he lost his shop, and gave it to his son. He then bought it back in 2021 at the age of thirty five. I had a 70 Chevelle, and a 70 Monte Carlo in high school. I always wanted to own another classic car since I sold them. Well, thirty years later I bought it! I got my 1973 Dodge Dart Swinger, I have fallen in love with my car! Thanks to Kathy Woods and Dallas Womack. Guess when they went to look at it Dallas said if I don't buy it, he is going to borrow money from me and buy it. So I bought it!

I plan to have the interior done and eventually painted. This car runs really well. I am excited for all the car shows. , I have owned it for a year. It has always been garaged.. Let's all go cruising and have fun!
