#### Oregon Christmas Tree Ornaments (Deadline is next general meeting.)

The Club needs Match Box cars for ornaments for the Oregon Christmas Tree going to the White House in December. Would like older cars, such as pre-1975. Bring the cars to the June general meeting, or call Carol Hood, 541-926-3467.

Friday Night Dinners: May 4

Tom asked members to volunteer to lead cruises to car shows during the summer. He and Lynn are going to be working most weekends and he needs help to accomplish his office of Cruise Master. **Contact him if you would be willing to occasionally lead cruises to shows.**

Web Master: **Dave Faller announced that Loren Kuipers and Lou DuPuis are willing to work on getting the web site up and running. Loren said that he will look at a different set up.**

Carol Carter asked whether he could contact other clubs and see how their web sites are set up. It was noted that the Street Masters had volunteered to help us do this in the past.

**John Wood asked that Loren find out appropriate information as to price and time line and get this information back to us at the next meeting.** New member, Tim Stockwell, volunteered to help with the web site as this is something he is familiar with. (Way to go Tim).

Sargent-at-Arms: Wayne told members that he has ordered good weather for the Jefferson Car Show. We hope that he has that much influence. It was announced that \$103.00 was collected for the drawing.

Hospitality: Linda Meredith reported that Junior Backer is having therapy on his injured thumb, Al Bodigheimer is hoping to be at the June meeting, Ray Oelke is improving and has been given permission to drive. Ray thanked members for cards and calls. Lynn Hinckley was sent a card when she had some dental work done.

Membership Report: Sheila reported that 58 members were in attendance

Salem Council Report: Carol Hood reported that The Carousel Car Show in Salem 184 pounds of food and \$315.00 were collected. 193 poker cards were purchased for \$965.00. \$500.00 of these funds will be donated to the Salem Boys and Girls Club.

Plans are being formalized for the car show at the State Fair in Salem August 25 and 26. More information to come.

Historians Report: Dottie will be writing articles about Life Members of the Rollin' Oldies until all those members have been covered. Susan K. will continue working with Dottie.

Old Business: Dave Faller has been chosen to be a Guardian on the Honor Flight taking Veterans to Washington DC. He is aware that the letter and the list of participating veterans did not reach all the members. He has copies available for those who did not get the information. **He would like members to write letters to the veterans. These letters are passed out during the trip. Please have all letters to him before May 17th.**

If you want to follow the adventures of the veterans on their trip to Washington DC you can go to South Willamette Honor Flight on face book.

**Carol Hood asked members to donate 40 classic Match Box vehicles to be used in Christmas tree decorations for the tree going from Sweethome to Washington DC.** She showed an example of the decorations that are being made by members. **Get these Match Box cars to her ASAP.**

Kate Walter talked to members about the scholarship funded by the club. Linnea Evers from LBCC will have more details at the next Board Meeting. Funds for the scholarship are dispersed after it is certain that the student

is enrolled and well on the way to complete the term. These funds can be used in any way necessary for the student to complete the term. **Members of the club can participate in choosing the student to receive the scholarship. If you are interested in doing this contact Kate Walter. You will need email capabilities to participate.**

Linda Stinson suggested that as the club becomes more involved with the scholarship process it might be a good idea to have a Scholarship Committee to handle details.

Carol Carter suggested that as we get to know the student we are working it may be possible to be supportive in other ways.

Linda Meredith stressed how truly important these scholarships are and how they may mean the difference of whether a student graduates or not.

**It was moved, seconded and passed that the Rollin' Oldies fund a \$3000.00 scholarship for the 2018/19 school year. The scholarship is to go to a student enrolled in the Automotive Department. The funds will be dispersed \$1000.00 per term for one student.**

Carol Carter said how proud her husband Harry Carter would be to know the support of this scholarship by the membership of the Rollin' Oldies.

New Business: Dave Faller said that he is calling for a car show committee consisting of these members: Dave Faller, Tom and Lynn Hinckley, Dave and Susie Krumweide, Carol Hood, Wayne and Karen Grant, Kate and Bob Whitfield, Ed and Dottie Anderson, Sheila Peterson, Lou DuPuis, Linda and Jim Stinson, Linda Meredith. He will schedule a meeting in the near future.

**Tammy and Junior Baker and Mario Mata and Joyce Ulmer have volunteered to be in charge of the Drawing for the Fifties in the Fall Car Show in September.**

**It was moved, seconded and passed that the Rollin' Oldies donate \$100.00 to the Sweethome Sweet Ride for their car show. Kate will send a check.**

Herb Hopper received the Membership Award of \$10.00. The award will be \$10.00 again next month.

Meeting adjourned by President Dave Faller.

Respectfully submitted by Secretary Linda Stinson.

### **Historian's Report**

By Dottie Anderson

As I go on with my journey of Life Members I am in the month of May, we have Mother's Day and we have Memorial Day.

This month I have chosen Carol Carter, a well-known member, for many reasons.

Carol and her daughter Shawn used to go to cruise-ins at the Oregon Trail Pizza, which is now where the Subway restaurant is (in Lebanon). That would be it. Then Harry and Carol met and in 1992 they married. As time went on they purchased the well-known Edsel. For Carol to drive the Edsel Harry had a list of instructions she had to go by. A list longer than a Mothers Christmas list.

Carol stopped by Harry's car-lot one day and there sat a Rambler. Carol said, I want that car! Carol got that car. Harry said we are

going to change this and that and Carol said the car stays as is. The Rambler stayed as Carol first saw it.

Carol's story of course runs right along with Harry's so not to much more about Harry (there will be a later article on Harry). Carol did say that Harry had a favorite saying "Make it fun and they will come", this was for the club, car-shows and their life.

I asked Carol what has changed in the club? There are no more cruise-ins, what she means by cruise-ins is a bunch of members getting together and going thru like Waterloo Park where there are people camped, going to Assisted-Living homes and stopping and bringing people out of the homes and letting them look at the cars and talking to the drivers, just gathering somewhere with their cars and visiting. There are no more mystery cruises. There is no more members getting together with members.

Carol did say "Just remember do good for the club".

Thanks Carol for your time..good info..

See you in June, Sincerely, Your Historian,  
Dottie Andersen
