The club received 3 thank you notes from people and organizations that they have helped during 2018. There were thank you notes from two medical students who were given medical bags sponsored by the Rollin' Oldies. There was also a thank you letter from the Veterans Home of Lebanon for a \$293.00 donation from the club.

It is the custom of the club to have fund raising drawings at the meetings. These drawings are 50/50, special holiday items donated by members and items donated by members. Here is a list of the drawings for the 2019 year showing the months where members can volunteer to bring the drawing items. ### **Historian Article for January, 2019**

So we start a new year. Not much has been going on, so far with the Rollin' Oldies. I am sure everybody was busy with the end of the year holidays. Now we can calmly go on to 2019.

January as in the past is when the new and re-elected officers start their rightly office. This year we received a new Vice President, Carol Hood, she re-placed Dave Krumwiede. Tom Hinckley, our Cruise-Master, Kate Walters, our Treasurer and myself,

Dottie Andersen, Historian; all three are re-elected officers. On-ward and Up-ward.

The first car-show of the year is coming. The Winter Rod and Speed Show, this show is put on by Jim Billings and Rich Bailey. The last I heard there where 105 cars. At this show there is the Club participation Award, \$500.00 to the club with the most registered cars. We can only hope.

Something happened to me at one of these shows. The first year I brought my Mustang, I had walked by my car and I saw a picture of my car sitting in a frame on the floor alongside my car, well, being me I thought oh my gosh I won an award...I went back to where my seat was and announced my glory. Somebody, who I shall not name, said "Dottie everybody gets one of those". Oh..My bubble got burst.. That's my story. We live and learn.

This is my article for January...see you February.

Sincerely, Your Historian...Dottie Andersen

### Some Cars Get No Respect – A True Story

By Lou Dupuis

Decades ago when I was a young man, I was invited to a friend's house for a family dinner. His parents and teenage sister were there.

During dinner the conversation turned to cars. Someone asked me what kind of car I had.

I said, "I have a Pinto."

Instantly my friend's teenage sister piped up, "A Pinto! I'd rather walk."

Yes, the Pinto seems to be the Rodney Dangerfield of cars. It gets no respect.
